TEMPORARY SUSPENSION OF TIRE EXAMINATION SERVICE
November 18, 2024**

Effective immediately, the GBI Crime Laboratory is temporarily suspending all tire examinations due to the lack of trained scientists in this specialized field. This suspension does not impact other Impressions services. We apologize for the inconvenience this may cause as we plan to resume this service mid to late next year.

In the event your agency has tire evidence in need of examination, please contact Impressions Section Manager Louis Kriel at 404-270-8181 or Louis.kriel@gbi.ga.gov to discuss alternative testing options.

Thank you for your understanding as we work to continue to provide the highest quality services to your agency.
